4. What did Rolf vow to Einar when he had his sword to Einar's head? (page 103)
## The Story of Rolf and the Viking Bow

### Chapter 16

**Cause and Effect**

A **cause** is an event or situation which directly produces an effect.

An **effect** is the result of a cause.

**Example:** The class ended, so I packed up my books.

The end of the class caused me to pack up my books.

The class ended is the cause. I packed up my books is the effect.

Fill in the blanks with these causes and effects from the story.
